

Membership Dues
2023-2024

The New York Association of Agricultural Educators is the professional organization of agricultural educators in New York State. NYAAE promotes and improves the teaching of agriculture, as well as maintains and improves professional standards of agricultural educators at the secondary and post-secondary levels. Members include a range of agricultural educators including middle and high school agriculture teachers, post-secondary educators, and administrators.

Benefits of membership to NYAAE include:

- * Legislative advocacy for agricultural education
- * Annual professional development conference
- * Teacher retention and recruitment programs
- * Keeping abreast of the latest industry technology
- * Leadership and professional development
- * Peer networking
- * [Educator mentor program](#)
