# Hamilton FFA Celebrates National FFA Week

Written by: Nicolle Holcomb, Hamilton FFA Reporter

The week of February 18-22 was National FFA Week. National FFA Week celebrates the FFA and its' membership. The Hamilton FFA hosted activities throughout the week to have fun, showcase the chapter, and see the agriculture industry. This week was full of fun activities for FFA members. The Hamilton chapter along with the Stockbridge chapter went to the Morrisville IcePlex to ice skate. On Wednesday three members, Kaylin Broadwell, Nicolle Holcomb and Megan VanAuken, went to WMCR radio station to be interviewed in honor of National FFA Week. The girls were able to see how a radio station worked as well as promote the FFA to the listening audience during the lunchtime interview. Lastly on Thursday several members went to the NYS Farm Show for the day. All in all National FFA Week was really fun for all of the members who participated. # Believe It or Not...

State FFA Convention 2008 is only a few months away! It's time to get out the cameras because this year, NYFFA wants **ten photos** from each of its FFA Chapters to display in the slideshow at Canton! Remember that some funny photos are okay too! Everyone can laugh and enjoy them-even if they don't know the specific people in the photo! Keep this in mind!
