

# What's Great in District 8

April

It's April!!!!!!!!!!!!!! This means that state convention is just a few weeks away!! As you travel to Canton think of how this year's State Convention will be "A Journey of Lifetime!" I personally guarantee that you will have a BLAST!! You'll meet many new people, go on amazing tours, learn new things about the FFA, and make memories that will last a lifetime!!!

## \*DISTRICT ACTIVITIES\*

After a fierce ice storm hit most of Western New York, the Western Sub-state Leadership Competition had to be rescheduled. On April 5<sup>th</sup> the Jasper-Troupsburg FFA will be hosting the 2008 Western Sub-state Competition!!

# Chapter News!!!

## JASPER-TROUPSBURG FFA

### March Report

By: Brittany Seeley

March was not as busy as our previous months had been. At this time we are diligently preparing for our banquet which is currently scheduled for April 25. We are also in preparation for State Convention. We have Shelby Button going there to compete in the prepared public speaking contest. We also have Sadie Button going to compete in the People In Ag Contest. We look forward to an exciting April.

# State News!!!!

The New York State FFA is looking to receive about 10 quality photos from each chapter in New York State.

We want to use these pictures in slideshows throughout convention. We want pictures of people in action - showing cattle, working with elementary students, talking at a science fair, riding the bus to national convention, etc. - and really fun group shots. For more information please contact Juleah Tolosky @ [jft25@cornell.edu](mailto:jft25@cornell.edu)
