

New York State Association of FFA

A Chartered Organization of The University of the State of New York
Founded in 1926

INDIVIDUAL ACCOMPLISHMENT AWARD

1. Completed application (use National Proficiency Application) is due to the District Advisor by February 1st.
2. The District Advisor and a committee will review applications during the month of February.
3. This award is available to all active members of the State Association of FFA who are in their first or second year of participation in agriculture programs, **except** those who:
 - a. Have received or are a candidate for the Empire Degree
 - b. Have received a National FFA Agricultural Proficiency Award in this same area.
4. A candidate may apply for any number of the 38 categories listed regardless of the course of study in which enrolled. A candidate may receive and award in no more than 3 areas in one year.
5. The award will be a certificate.
