We, as a committee, recommend the following:

1. Combine Districts 7 and 8.
  - a. This new combined district would be in the Western Substate
2. Appoint 2 Trustees from each substate.
3. This committee should continue to look at the issues of redistricting and work to solve the current problems with Clinton and Franklin Counties.
4. We request this proposal be considered at the October 2007 Governing Board meeting to take effect July 1, 2008.
