

# FAQ for Ag. Education Day Event

## Did I need to attend this event with my student?

-No, space is limited to chapter presidents, chapters that are chosen to demonstrate in the “Well” in the State Capital and a select number of advisors. Supervision of the chapter presidents will be provided by state staff and the selected advisors.

## How will my students get to Albany?

-Transportation will be provided by a charter bus that will pick students up at designated locations (Buffalo, Henrietta, Syracuse, Utica, and Schoharie) near inter-state 90. We will have selected advisors supervising students on the bus. Information regarding which advisors will be attending this event, detailed pick-up/drop-off locations, along with the bus company details will be provided at the beginning of January.

## Who will provide supervision for my students?

-Chapter Presidents will be supervised by State Staff and selected advisors (advisors are not required to come with their chapter presidents). Those chapters that are selected to do demonstrations in the “Well” of the Capital will need their advisors supervision.

## How do you register as a student?

-You can register your chapter presidents by going to the following link:

<http://www.nysffa.org/agricultural-education-day>

-In order to register your chapter officer team to do the “Well” demonstration you have to be selected and given a passcode. Once given the passcode you can register at the same link at Jr. High Chapter Officer Team Experience: <http://www.nysffa.org/agricultural-education-day>

## How do I register as an advisor?

-Advisors need to contact either Tina Miner-James or Michele Kline and let them know you are interested in advocating on behalf of NYAAE. If you are selected to come, you will be given a passcode to register at this link at the Educators Experience: <http://www.nysffa.org/agricultural-education-day>

-If you are an advisor of a selected chapter officer team that will be doing a demonstration in the “Well” of the Capital, Derek Hill will give a passcode to register at this link at the Educators Experience: <http://www.nysffa.org/agricultural-education-day>

## How much does it cost to attend for my student?

-There is a \$30 registration fee for students. This covers their celebration dinner. NY FFA is subsidizing the remaining meals, lodging and coach bus transportation costs.

## How much does it cost to attend as an adult?

-There is no cost for selected advisors to attend this event.
