

District President Selection Contingency Plan

**All activities and dates will be reviewed and updated
based on CDC, Local Health, and Governmental Policies*

3/30/2020

Unfortunately, we were unable to hold sub-states or the District President Selection process on 3/14/2020 as scheduled due to the COVID-19 outbreak. Below is an outline of how the District President Selection Process will be facilitated this year.

We will not be rescheduling the selection process for this year. Instead, we will be leaving this decision up to the District Delegates to select their District President. All qualified candidates will be asked to record a 3 min speech that will be shared with their District Delegates during their District Meeting. The District Delegates will then vote for a candidate. These District Meetings will take place virtually and at a mutually agreeable time for each district before the end of May. Please check your email for information from your districts about potential dates for a virtual district meeting.

Trustees, current District Presidents and their advisors are working together to establish a date and time for districts to hold their district meeting virtually between the dates of 4/26 and the end of May.

Instructions for how to submit the 3min video were sent out to each candidate on 3/26/2020. These videos must be submitted 10 days prior to the district meeting. A follow up email was sent on 3/30/2020 to confirm that the candidate and/or advisor received this communication.
